

CompInst WrapExpression

```
graph TD; A[CompInst WrapExpression] --> B[ComponentInst]; A <--> C[LocationExpression];
```

The diagram illustrates the relationship between three concepts. At the top, a dashed box contains the text "CompInst WrapExpression". Below this box, there are two more dashed boxes. The left box contains "ComponentInst" and is filled with a light gray color. The right box contains "LocationExpression" and is filled with a darker gray color. A single-headed arrow points from the bottom of the top box to the top of the "ComponentInst" box. A double-headed arrow connects the bottom of the top box to the top of the "LocationExpression" box.

ComponentInst

LocationExpression
